WINTERFEST VENDORS NEEDED!!!

Dear Community Member,

Beaumont Elementary School Home and School Association would like to invite you to be a part of our Winterfest holiday shopping celebration! This year's event is on Friday, December 2 and is running from 6-8pm.

Winterfest is a family oriented winter extravaganza that includes a parent shopping section and a children's shopping section. We will have shopping helpers for the children this year, which will enable parents to shop more easily.

We are currently looking for vendors who would like to sell their goods or services! At the event, vendors can sell products, take orders or even distribute coupons or offers to encourage shoppers to visit their store or website before the holidays.

This year, the vendor fee will be a flat \$30 for one 8' table. In an effort to go green, there will not be a shopping guide this year. Instead, when people enter the school lobby, there will be a map of vendors' tables set up in the gymnasium.

Thank you for your time and consideration! Space is limited and will be offered on a first come, first served basis. The HSA reserves the right to remove product deemed inappropriate for elementary school aged children. To reserve your space, kindly return the form below with your check made out to the Beaumont HSA no later than Friday, November 18. Please email questions to Tory Stagnaro at torystagnaro@yahoo.com.
