"Alex has been instrumental in training my boys how to hit. His knowledge of the game is second to none, and I would recommend him to any parent looking for additional instruction." -Ron Bacskai

"I have been very fortunate to have had Alex work with my team. He initially started with us as Little Leaguers and now continues to work with my 'boys' in small groups both during the season and during the winter months. His comprehensive program of quality instruction is useful and fun. The boys ALL think extremely highly of Alex. His level of teaching and enthusiasm for what he is doing is second to none. Alex added Dan Williams to his staff and Dan too is highly regarded by both the boys and their parents. Together, Alex and Dan make a great team that stress the fundamentals and a shared philosophy of what it takes to get better. Both Alex and Dan are great baseball teachers with extensive experience, but more important, they are even better people who get the best out of their students. We are very fortunate to have them both working for us individually and collectively as a league." -Bill Young

"My 11 year old team worked with Alex for two years. He improved every facet of their game, especially their hitting. He relates to the boys extremely well. He is committed to improving the players and enhancing their love of the game. I would recommend Alex to anyone looking to help their child improve." - Mike Loftus

"Jake (Anapolsky) thoroughly enjoyed each day at camp. Thanks for teaching my son all you know about baseball...he will truly benefit from what he's learned from you and your staff. He looks up to all of you!!" - Sharon Anapolsky

"Maddux had a great time again this year. Everyday he told me something new he learned, demonstrated it and had some story to tell...he loved it!" - Allison Cook

"Alex Melconian teaches the fundamentals of baseball better than anyone else. My swing has greatly improved over the past few years due to all of the techniques he has taught me through his drills. He is a mentor to me and I recommend him to anyone who wants to improve their game." -Austin Shirley

"Alex is a personable and energetic instructor with extensive knowledge for the game. He helped sharpen all of my abilities through high school and still today. His use of video analysis and ability to relate to players is what sets him apart from other instructors in our area." - Scottie Williams
