Is hosting

Challenger Day 2013

Date, 2013

Challenger Day - Over 250 Special Needs kids - this is an annual event in our area rotating to different leagues within our division. Always an awesome day!

The Challenger Division is a program for mentally and physically disabled youth to enjoy the full benefits of Little League participation in an athletic environment structured to their abilities. It should be noted that where possible and with reasonable accommodations, we encourage disabled youngsters to participate in unrestricted league play provided their participation is possible and fair within the standard rules and regulations of Little League Baseball.

The goal of the Division is to allow the players to enjoy athletic and social activity strengthening their self-esteem and providing them the opportunity to develop a sense of teamwork and fair play, which are the hallmarks of the Little League program.
