

# Cultural Arts 2011/12

The HSA funds Beaumont's Cultural Arts program which supports our children's learning through exposure to the arts in all forms. We aim to bring meaningful performances in art, science, literature, dance, music, theatre and world cultures. Some programs are school-wide and some are grade specific and support the grade level curriculum. Parents are always welcome and encouraged to come in and enjoy the shows.

Additionally, our reps are also a part of **DELTA**, a non-profit organization of Cultural Arts/ HSA/PTO representatives from various public, parochial and independent schools. DELTA also brings to the area two large, family-friendly shows each school year. Please see this year's flyer, available here and in The Blast. Tickets are now available.
