Hello Beaumont Families,

My Goodness! How time flies when you are having fun! I cannot believe that this is our last newsletter of the school year, or that summer vacation is almost upon us! The month of May was another busy one here at Beaumont. Thank you the Plant Sale committee, for helping us to jump start our spring planting and gardening! The teachers were thanked during teacher appreciation week for all of the hard work they do. Thanks to that committee for making it happen! We soared into space for a fun week, put together by our theme week committee. The school looked awesome from all the great decorations our parents created.

We ended the week last week with a great Play Day! Perfect weather and truly wonderful volunteers made a extremely successful event. As we look to June there is Field Day, Yearbooks, the 4<sup>th</sup> Grade Lunch and 4<sup>th</sup> Grade Graduation to look forward to...not to mention the onset of summer vacation!

As we wind down another wonderful year, I would like to take the opportunity to thank each and every one of our wonderful parent volunteers. Our HSA and our school are the finest around because of our parents' dedication, hard work, and interest in the children. Thank you for being an important part of our Beaumont community.

Enjoy the summer months, and we look forward to seeing you in the fall.

Warmest Wishes,  
**Sherri Gartner**  
 HSA President  
 On behalf of our HSA Board

# Theme Week Take Down!

Many hands make light work and  
we would love to see yours!

The Theme Week Committee could use your help on Friday afternoon to take down all the decorations. We are starting as soon as the buses are loaded, so please join us. All help is appreciated, whether it is 10 minutes, or two hours. Please consider stopping up!

If you helped decorate and have items you would like to save, please take them down prior to Friday afternoon.

Thank you!

## Beaumont Monthly Report May 2010

Beaumont enjoyed Theme Week during May 17-21 “A Space Odyssey.” The week was filled with daily assemblies, speakers, and activities. Many parent volunteers decorated the main hallways, lobby, and large group room at Beaumont to support the space theme. The week ended with a fabulous culminating project in which the students participated in a scavenger hunt to find several written facts and visual pieces of information around the hallways and lobby.

The Beaumont Spring Concert was held on Wednesday, May 12. The fourth grade orchestra, third grade orchestra, third and fourth grade combined orchestra, and the fourth grade chorus all performed many magnificent musical pieces. Two Beaumont students wrote their own songs for the orchestra to perform while one student actually conducted the orchestra as the students played her song. It is a pleasure to see so many Beaumont families supporting their children as members of the audience during the concert as well as bringing them to school for early morning rehearsals each week.

On May 5 Beaumont students participated in several activities for the Keystone Healthy Zone Event Day and All Children Exercising Simultaneously (ACES) Day. The theme this year was “Eat Your Colors” with emphasis on eating 5-7 servings of fresh fruits and vegetables daily. Our physical education teacher facilitated whole school warm-up exercise activities during morning announcements. The students participated in a taste-testing of fruits and vegetables activity during lunch times. Parent volunteers and staff members helped students select from extensive displays of fresh fruits and vegetables. Third and fourth grade students created and displayed posters of healthy eating messages around the school. Students at each grade level wore different colored shirts to symbolize the different colors of fruits and vegetables. At the end of the day, the whole school met on the large field to exercise together by engaging in a variety of physical exercises and dances learned in PE classes.

One other Beaumont activity to highlight is the ever-popular Play Day scheduled on Friday, May 21. Play Day is the Beaumont Home and School Association’s spring fair where many families and staff members attend to enjoy games and activities.

### Kindergarten News

The birds were singing, the bees were buzzing, the daffodils were blooming – sounds like spring was in the air and Beaumont’s kindergartners investigated it all! May was kindergarten’s month for creepy crawling creatures of all kinds because we officially launched our hands-on study unit on insects.

This was an especially exciting study unit for the children because they were engaged in many hands-on science activities including hatching live ladybugs and butterflies. Before, during, and after these discovery-based science projects our “future scientists” were able to predict, observe, record, and reflect on the life cycles of these specific insects. Throughout the duration of these experiments the kids also kept a ladybug and butterfly journal. This provided a cross-curricular opportunity for our students to

integrate and apply their creative writing skills into the area of science. Our insect study unit culminated on Wednesday May 26<sup>th</sup> with a field trip to the Philadelphia Insectarium.

### **First Grade News:**

First grade is eagerly looking forward to sharing the stories that they wrote and illustrated for the Publishing Center at our annual

*Authors' Breakfast* on Wednesday, June 9<sup>th</sup> from 8:45 to 9:15 in your child's classroom.

The children worked hard on developing the components of what makes a story:

- Setting
- Characters
- Sequence
- Plot
- Ending (resolution)

We continue to apply these components to the stories we read in our reading groups.

We look forward to seeing you on June 9<sup>th</sup>!

### **Second Grade News:**

What a busy month it has been in second grade! We began the month with our Immigration Unit. In the 2<sup>nd</sup> grade hallways you will find a display that honors our Earliest Known Ancestors. Speaking of Immigrants, did you know that the Ringling Brothers came to America in the early 1900's from Germany? Well, if you ask any second grader at Beaumont they will tell you all about it. As a culminating activity to our science unit on Balancing and Weighing, the circus came to Beaumont on May 14<sup>th</sup>. The day was filled with a variety of activities that tested our knowledge of balancing. We learned how to juggle in small group workshops, did a science experiment called Don't Sink the Ship and had several balance relays outdoors. The Grand Finale was a Circus Show from very talented performers called The Give and Take Jugglers. As the month comes to an end we are looking forward to yet another culminating activity, Immigration Day, which will take place on June 11<sup>th</sup>.

### **Third Grade News:**

In social studies, the third grade is in the midst of our “City Planning” unit. Wait until you see the final products created by the third graders!!! Please save the date for our third grade Pennsylvania show “Living William Penn’s Dream” and our City Walk on the afternoon of Tuesday, June 15<sup>th</sup> at 2:00.

The third grade has begun our last unit of study in science – Chemical Tests. We will be experimenting on 5 unknown substances to see their reactions to different agents, such as vinegar, iodine, water, and heat to name a few. Through these experiments we will discover what these unknowns are.

Our Philadelphia field trip was a success! We had a beautiful day and made many wonderful memories. Thank you to all the chaperones that accompanied us to Philadelphia.

Lastly, the biography projects were outstanding! Great information, great visual aides, and great presentations by all of our third graders!!!!

### **Fourth Grade News:**

Fourth Grade has been extremely busy over the last month. We have finished presenting our P.A.L. projects and have started working on Westward Movement in social studies.

Our trip to Hagley Museum in Delaware was a great success! We had beautiful weather to go along with a great program. Thanks to all of our parent volunteers for helping out. We traveled to T/E Middle School for move up day and were treated to a tour of the school by many former Beaumont students. Needless to say our students are very excited about the prospects of moving on to TEMS.

The Bell Avenue Picnic will take place at Ridley Creek Park on Thursday, May 27<sup>th</sup>. We get to meet our pen pals and have a great day packed with arts, crafts and games. Mrs. McGillis will be coordinating for her final time, “Thanks for all of your hard work Doreen”.

This is the thirteenth year that we have gotten together with Bell Avenue School!

The first drafts of our final project for the year, All About Me, are in and we are looking forward to the final products which will be in on June first. We are quickly closing in on the final days of the school year. The fourth grade picnic will be held on June 11<sup>th</sup> and promotion ceremonies will take place on Thursday June 17<sup>th</sup>.

## T/E School District Calendar Goes Green!

Beginning in the 2010-2011 school year, the School District Calendar/Handbook will no longer be printed and mailed to parents. The 2010-2011 District calendar and individual school calendars will be available in a new format on the TESD web site at [www.tesd.net](http://www.tesd.net) by July 30, 2010. This new format will allow parents to print the calendar in a variety of arrangements, sort the calendar on-line and export calendar dates and events into various email programs and personal electronic devices. Paper copies of the web site calendar will be available at the school buildings for those who would like to pick up a paper copy. In addition, a monthly calendar will be included in school newsletters when possible.

We are currently in the process of updating our parent email list. So that we can send you a link to the school calendar electronically next year, it is important that we have your email address on file. If we do not already have your email address on file, please send your email address to Lisa Toland at [tolandl@tesd.net](mailto:tolandl@tesd.net). You will have an opportunity to verify or change your email address on the student information verification sheet that is sent home at the beginning of the school year. In addition, you may contact the school main office staff at any time to update your email address.

This initiative will help to save paper, copier resources, postage and keep our school “green.” Thanks for your understanding of this environmentally friendly project.

## New T/E School Web Site Coming in July 2010

The T/E School District web site is in the process of being overhauled and will be replaced with a new site that includes a user-friendly design and expanded features. The new web site will become live in July 2010. The web site will include a number of new features including:

- An interactive, on-line calendar that will be updated throughout the school year as needed,
- Drop down menus for easy navigation throughout the web site,
- Expanded school web sites,
- Teacher web pages at all levels, and
- New web 2.0 technology tools for students.

The existing web site address of [www.tesd.net](http://www.tesd.net) will remain the same after the transition to the new web site. Please visit the current T/E School District web site at [www.tesd.net](http://www.tesd.net) to watch a short video preview of the new site. Check it out live in July 2010!

#### IMPORTANT INFORMATION ABOUT YOUR CHILD'S CAFETERIA ACCOUNT

#### HAVE A GREAT SUMMER!

**Cafeteria Account Balances** All students cafeteria balances will transfer to next school year. This includes students who will be attending Middle School next year. Also, your child's pin number will remain the same, regardless of whether they are going to another school within the District. Negative balances must be paid by June 17, 2010. Checks should be made out to "TESD Cafeteria Fund".
