

Beaumont School Directory & Parent Handbook Order Form

Dear Beaumont Parents:

Enclosed in your Opening Day Packet is a Student Information Verification Form with the names [both child(ren) and parents], address and phone information currently contained in the T/E database. Please review the Student Information Verification Form carefully and indicate any changes needed. We will update the school directory using the information on the form.

If you wish to purchase a directory, each directory costs \$8 (two for \$15.) Complete the order form below (checks payable to **Beaumont HSA**) and return it to school along with the Current Information Verification Form. **EVEN IF CHANGES ARE NOT REQUIRED**, please return the forms to school no later than *Friday, September 24th*. When ready, the directory order will be sent home with your child.

Thank you,
Anita Borger
