Hello Beaumont Families!

How quickly November is flying by! Our Scholastic Book Fair was great fun for all, including a fun family night and special person breakfast. Thank you to our Book Fair chairs and volunteers for their hard work and dedication. Thanks also to our Cultural Arts Committee for another fantastic event. Our first ever Barnes and Noble Shopping Day and our new and improved Ice Cream Social/ "Winterfest" evening are just around the corner—we hope to see you there! Both events are great ways to kick-off the winter season.

Don't forget to check out the Beaumont HSA website ([beaumonthsa.org](http://beaumonthsa.org)). It is a great way to get connected to what we are doing at Beaumont.

Enjoy the upcoming winter season, now that it has finally arrived...there is definitely a nip in the air! At this time of thanks and reflection, we would like to thank all of you for being such an important part of our Beaumont community.

Warmest Wishes,

*Margaret MacKenzie*

# School Board Update

Summary of School Board Committee Meetings Provided by Committee Members

October 2007

## Education Committee

---

submitted by DEBORAH ROLLINS

The Education Committee met on October 9<sup>th</sup>. Several members of the public expressed concern about class sizes at Valley Forge Elementary School. The administration reviewed practices used by the District for including students in total class-size counts. Several Committee members discussed the process whereby the current class size policy was approved and is applied. The Committee noted that a class size discussion will be on the agenda for the November 13<sup>th</sup> Education Committee meeting.

The administration presented the latest K-4 enrollment trend data from the Pennsylvania Economy League (PEL). The latest data projects a growth in K-4 enrollment over the next two years, followed by a steady decrease in the total District K-4 population.

The Committee heard a presentation on space utilization projections for all schools. The administration discussed possible reassignments of existing programs and space utilization to accommodate evolving elementary space needs and reported that space needs for the elementary schools can be accommodated throughout the five year period. At the middle level, additional small group space will be needed. The Committee recommended that the Facilities Committee review a possible renovation at the middle school level to provide more small group space. Conestoga High School's space capacity is sufficient to meet program needs through 2011-2012.

Finally, the Committee reviewed and accepted the 2008-2009 school calendar. The calendar is available on the T/E School District web site at [www.tesd.net](http://www.tesd.net).

## Facilities Committee

---

submitted by PETE MOTEL

The Facilities Committee met on October 19<sup>th</sup>. The Committee heard an update on District construction projects and change orders. Next, the Committee and

the administration discussed the current capital project summary and accompanying schedules.

The administration reviewed the revised infrastructure report. The cost of the smaller projects moved to the general fund is estimated to be approximately \$450,000. There are also infrastructure projects planned which will be paid out of the Capital Project Fund. These projects are under review for the summer of 2008

The Committee heard an update on recycling in the District. The administration will research the possibility of purchasing a recycling "compactor" to reduce the amount of space needed for recycling.

The Committee chose the style of sign for fire lanes at District buildings. The towing company that will tow cars parked in the fire lanes will begin periodically driving through the District.

The District architect presented plans for the future renovation of the music area at T/E Middle School. After receiving feedback, the architect will present at the November meeting a revised music room plan to incorporate a renovation of the courtyard as additional educational space.

The Committee discussed the installation of a scoreboard at D'Ambrosio Field. The sign will be installed sometime this fall.

## Finance Committee

---

submitted by BETSY FADEM

The Finance Committee met on October 15<sup>th</sup>. The discussions that led to Board Priority Discussions included:

1. 2008-2009 Budget Resolution: The administration announced that they can prepare and present a budget for next year that will stay below the state index of 4.4 %. This means that the District would not apply for any exceptions under ACT 1 for 2008-09. The 2008-09 budget workshops are scheduled for March 3 and March 31, 2008.

2. Senior Tax Rebate Proposal: The initial proposal is multi-faceted and includes a rebate program for low income senior citizens that could match the PA State rebate program up to dollar for dollar. The Act 50 option of approving tax deferment was discussed and will be included in the proposal.

The Committee also approved entering an agreement for an automated substitute placement service. The system is web-based and requires no in-house support for hardware or software. This results in a cost savings to the District and a more timely and reliable system for securing our daily substitutes.

The Committee reviewed the tax appeals that have been submitted as of the annual deadline of August 15<sup>th</sup>. Our staff identified the potential for lost tax revenue resulting from the appeals and gave information on the historical impact of tax appeals.

The debt analysis for the District was presented, which included various levels of borrowing to finance future capital projects. Based on current rates, it does not appear advantageous for the District to incur debt.

The State Audit Exit Conference was held on October 4<sup>th</sup>. The Audit for 2003 through 2007 has been completed and the final report has not yet been received. The oral report indicates a clean financial and operational audit. The District was also subject to a technology audit and likewise a final report was not yet received. Districts have not been given any criteria on which the technology audit is based to prepare for the evaluation. This concern has been communicated to the Office in charge of the audit.

Chester County's Reverse 911 emergency call system was the next topic of discussion. After hearing detailed information on what is available through Chester Co, the Committee has requested that the Safety Committee determine the viability of using the County system and the benefits of having our own system.

## **Policy Committee**

---

submitted by LIANE DAVIS

The Policy Committee met on October 16<sup>th</sup>. The Committee recommended Policy 5445, Physical and Dental Examinations for a second reading by the full Board at its regular meeting on October 22<sup>nd</sup>: The Committee decided that Policy 9330, Formulation of New and Revisions of Existing Board Policies, will not be sent to the full Board for a second reading until Policy 9332, Exceptions to Board Policies, has had a

first reading by the full Board. In addition, Policy 5116, Nonresident Students, will not be sent to the full Board for a second reading until a draft Escrow Policy is developed and reviewed.

The Committee recommended the following policies for a first reading by the full Board at its regular meeting on October 22<sup>nd</sup>: Policy 9332, Exceptions to Board Policies; and Policy 3293, Designation of Depositories.

The Committee heard an overview of the legal discovery procedures and the District's need for a policy dealing with record retention and management. This topic will be discussed by the Committee at a future meeting.

## **Public Information Committee**

---

submitted by PAT WOOD

The Public Information Committee met on October 9. The Committee reviewed options in the community for senior citizens who need assistance completing the Pennsylvania property tax/rent rebate form. The District is advertising the Business Office telephone number as a point of contact for seniors who need information about local assistance programs. The Committee asked the administration to create a flyer for local senior centers informing them of tax form preparation programs.

The Committee heard an informational presentation on the development of a social norming program for secondary students.

The law requires that an annual Act 1 homestead exclusion application letter be sent. The administration will review the details of the requirements and will review a draft letter with the Committee next month.

Several publications of the District were submitted to the Pennsylvania School Board Association Publications Contest. The Committee reviewed the judges' comments and found them beneficial. The recommendation was that the Administration submit publications to the contest again next year.

There will be another Board Talk taped in late October or early November for showing in mid-November or early December. Segments will include the senior tax rebate assistance program, budget development time line, middle states evaluation process and the new school administrators.

**A very easy way to make a donation to FLUTE**  
(Which in turn makes a big difference for a child!)

**Is there someone from the School District who has made a difference in your child's education?**

- ...A teacher who motivated your child to go above and beyond?
- ...A nurse who gently mended a wound on your child?
- ...A principal who greeted your child with a smile each morning?
- ...A bus driver who transported your child safely to school each day?
- ...A counselor who comforted your child during a difficult time?
- ...A coach who challenged your child to be successful?

**Is there someone from the School District who helped you, as a parent, to have a successful experience?**

- ...A secretary who helped you to schedule a PTO function?
- ...A custodian who cleaned up after the PTO event in which you were involved?
- ...A teacher who welcomed you into the classroom as a volunteer?

**Are you considering a holiday or end-of-year gift for a staff member?**

**Are you an alumnus who wants to thank a staff member who inspired you?**

**Is someone retiring that you would like to recognize?**

*Honor them by making a tax-deductible donation to FLUTE in their names.* It so easy - just fill out the form below. Your chosen recipient(s) will be notified of the honor, and your donation will go a long way toward fulfilling FLUTE's mission. Learn more about FLUTE at [www.FLUTE-pa.org](http://www.FLUTE-pa.org).

Please accept this gift of \$ \_\_\_\_\_ for FLUTE in honor of the staff member(s) listed below. Additional names can be attached on a separate page. Important note: This opportunity is available all year long - you can go to [www.FLUTE-pa.org](http://www.FLUTE-pa.org) at any time and download additional forms.

## **YOUR HSA DOLLARS AT WORK**

By  
Joan Gaidimas  
HSA Treasurer

Due to the hard work of many HSA volunteers and the generosity of those in our school community, so far in 2007 the HSA has been able to pay for the following:

1. Ten Activity Tables (\$6,500) – You can see these red tables in the cafeteria and the large group room.
2. Annual Gift to Teachers (\$3,700) – Each year the HSA gives a monetary gift to each teacher to help pay for many of the extras our teachers buy with their own money.
3. Assignment Books (\$1,000) – The assignment books given to each 4th and 3rd grader are purchased with HSA funds.
4. Cultural Arts Assemblies (\$2,000) – The shadow puppet show and the “Legend of Sleepy Hollow” show were funded by the HSA.

**DONATE YOUR USED SPORTING GOODS AND FITNESS EQUIPMENT FOR CASH TO BEAUMONT AND RECEIVE A TAX DEDUCTION FOR YOU!**

Bring the sporting goods and fitness equipment you're no longer using to Beaumont during the week of December 3, 2007 and Play It Again Sports will help Beaumont raise money while giving you a tax deduction.

Play It Again Sports will collect your quality used sports & fitness equipment and the proceeds from your donations will go to support Beaumont H.S.A. Collection boxes will be located in the lobby during the week of December 3, 2007. A collection area will also be provided during Winterfest. Play It Again Sports will have receipts for your tax deductible donation available in the main lobby. So clean out your garage or basement for Beaumont! Bring in those used gloves and bats, field hockey or lacrosse sticks, cleats and ice skates! Bring in those weights you no longer use! Play it Again Sports will take it all! If you are interested in donating fitness equipment that is too big or heavy for you to bring to Beaumont, please contact Marcie Romberger.

Play it Again Sports, the premier store for quality new and used sporting goods and fitness equipment is opening in the Spring.

This fundraiser is sponsored by your H.S.A.

### **THANK YOU!!**

*Fall 2007 Book Fair was a blizzard of a success.*

With your participation and the help of 70+ volunteers:

1. We donated \$350.00 to Ethel Allen School – giving them about 35 hardcover books for their library
2. We raised \$166.00 for 1 for books – that's 166 books that will be donated to a national literacy organization
3. We donated books to Beaumont Teachers to update their classroom libraries
4. We raised over \$4000.00 for school activities

Our next book fair will be February 11th - February 15th. We hope you can make it!

### **Volunteer Rewards!!**

As a thank you to all of our parent volunteers, the HSA is having a raffle! Any time you volunteer for an HSA committee or event, stop by the office and put your name in our **PRIZE RAFFLE BOX!** The more you volunteer, the more times you can enter, and the more chances you have to win! We will announce the winners at our June HSA meeting!
