

Are you trying to think of an extra special end of year gift?

Do you want to honor a teacher, counselor or school nurse who helped your child in a special way?

Think about the individuals who inspire your children to learn or who provide encouragement when your child struggled with a difficult subject.

With a Staff Tribute, you can recognize these special individuals by making a tax-deductible donation to FLITE.

Your honored individual will receive a note card thanking them for their dedication and positive impact they have made on your student and family. This is an important year to make your tribute. The school budget is in crisis and FLITE will be called on to help fill the gaps.

FLITE works in partnership with the Tredyffrin/Easttown School District to help all district students reach their potential. FLITE promotes academic achievement with programs from preschool tuition assistance to college preparation.

Simply fill out the form below. Your chosen recipient(s) will be notified by letter of the honor (but not the dollar amount). With a Staff Tribute contribution, you can recognize any employee of the T/E School District whom you feel has made a difference in your child's school experience.

Your donation will go a long way toward helping FLITE fulfill its mission.

Thank you!
