

Part time Help Wanted: Science Club Leader!

We are seeking an enthusiastic science club leader/instructor for our club program at **your school** and several schools in the local areas starting this fall.

Our clubs take a fun, hands-on approach to learning science.

The Curriculum, Supplies, hands-on Training, and Training videos are provided!

Responsibilities: Teach hands on science projects to elementary school children. Classroom management experience preferred. The clubs are very interactive and you will be covering the objective of the lesson and making sure all the students are engaged throughout the one hour club session. If you have over 10 kids we will provide an assistant too.

Here's why you should be our Science Explorers' club leader:

- Great way to spend quality time with your son/daughter
- You get paid!! – starts at \$30 per club meeting
- Your child gets FREE tuition to club!
- It's a fun and an easy part time job
- **Compensation:** \$30 per club session. (you must arrive 20 minutes prior to each club for set up and clean up afterwards)

Email us at programs@scienceexplorers.com or call 484-942-9896 for more information!

Club details:

Date & Time: Clubs are held once a week for one hour in 5-week sessions at local elementary schools and run from October through May. Clubs typically start anywhere between 3pm - 4pm.

Location available: Positions available in the following counties in PA and DE:

Berks, Bucks, Chester, Delaware, Lebanon, Lancaster, Montgomery, and Philadelphia Counties in PA and in New Castle County DE.

2014-15 Club Topics

Pop, Bang, Fizz –

- With a pop or a bang or even some fizz, you have just become a chemistry whiz!

Wild About Weather-

- Join us to learn all about weather.

Make Some Noise! –

- We'll keep the good vibrations coming as we investigate the world of sounds and sound energy.

Explosive Art –

- Art and science go hand in hand, so put on your smock as we use brushes, bubbles and even nature itself to create scientific works of art.

Oozy, Odd & Outrageous Animals! -

- Explore the world of wacky creatures that suck blood, make slime, "fly" without wings, and re-grow all sorts of parts

You don't have to be a teacher to be a great club leader; you just have to be fun!

Background checks are required!
