ARCH Invites You to a Panel Discussion Featuring
Young People & Parents in Our Community
Who Have Been Impacted by Addiction

Thursday, May 1, 2014
7:00 – 9:00 pm

This event is intended to raise awareness of how teen alcohol & drug use can lead to addiction. The panel will consist of young adults from our community who are in recovery and parents from our community who have a child in recovery, who will all share their experiences with addiction.

Everyone is welcome to attend
Parents, Teens and Educators

Moderator – Lex Remillard, MSW, LCSW,

Not my kid.

One in four Americans who drink
or use drugs before they turn 18
will develop an addiction.

Wait, one
in **FOUR**?
